To whom it may concern,

I have worked with A&J CONSTRUCTION as one of our vendors, for the last 3 years. They have Reclaimed and Paved, Milled and Paved several stores. Their service and professionalism has been outstanding. Their knowledge of Retail operations has been most helpful in planning. They have always offered specialized handling of, Cerfew Cities, Traffic Control, Equipment, Materials, and Competitive Pricing. A&J has always met their Start, Completion times and dates. This relationship has been most definitely a Partnership. If you have any further questions you can reach me at the E-Mail address below.
